Schemel, Paul

Amends Medical Marijuana Act re revisions.

(PN 1936) Amends the Medical Marijuana Act, providing for definitions of caregiver as a person designated by a patient, hospice organizations, or nursing facilities to deliver medical marijuana." Establishes the removal of the requirement that an individual may not act as a caregiver for more than five patients. Provides for the definitions of excipients, harvest batch, harvest lot, medical marijuana product, process lot, research initiative, serious medical condition, and synchronous interaction. Provides for the dispensing of a 90-day supply of doses of medical marijuana. Establishes that a caregiver who has not been previously approved by the Department of Health must submit fingerprints to obtain criminal history record checks, and that the criminal history record information provided shall not be subject to limitations relating to general regulations. Establishes that medical marijuana organizations may allow employees to

work in a supervised capacity until the department formally approves the employee's affiliation with the medical marijuana organization. Provides that applicants shall supply a statement attesting that they have the ability to use sufficient land, buildings, and other premises and equipment to properly carry on an activity described in the application and proposed location for a facility. Establishes that individuals convicted of a felony controlled substance offense may not hold volunteer or paid positions with a medical marijuana organization and for exceptions for persons if it has been 10 or more years since the entry of a final felony controlled substance disposition. Provides that growers and processors obtaining and transporting bulk postharvest medical marijuana plant material from another grower/processor within this commonwealth to process medical marijuana and apply solvent-based extraction methods and processes to medical marijuana plants that have failed a test conducted by an approved laboratory at harvest. Establishes requirements for obtaining harvested hemp and that growers and processors shall maintain continuous video surveillance. Provides for the utilization of an electronic tracking system and automation regarding an application-programming interface. Establishes requirements for laboratory testing and for physicians' or pharmacists' availability to verify patient certifications. Provides for retention of video surveillance for 180 days. Establishes the Medical Marijuana Program Fund and that the department's authority to adopt temporary regulations shall expire May 31, 2022. Provides for the duties of the advisory board and effectuating recommendations of the advisory board. Establishes requirements for academic clinical research centers and provides procedures for applications of clinical research centers. Provides procedures for research initiatives by academic clinical research centers. Establishes that the amendment of serious medical condition shall apply retroactively to May 18, 2016. Provides for the removal of related provisions regarding applicability. The amendment or addition of sections related to electronic tracking and growers' and processors' tracking shall take effect in 180 days, and the remainder of the act shall take effect immediately. (Prior Printer Number: 1059, 1596, 1635, 1823)

[HB 2050](#) [Wheatley, Jake](#) Act re Adult-Use Cannabis legalization

(PN 2333) The Cannabis Regulatory Control Act provides for regulation and sale of cannabis and cannabis products for personal use by establishing a regulatory control board with powers and duties and imposing powers and duties related to cannabis regulation on the Office of Attorney General and the Departments of Revenue, Agriculture, and Health. Provides exemptions for cannabis and cannabis products for personal use. Creates regulations for cultivating, testing, storing, transporting, and selling cannabis or cannabis products for personal use and creates guidelines for certification and registration for employees and businesses cultivating, testing, storing, transporting, or selling the cannabis or cannabis products. Establishes the Office of Social and Economic Equity and the Cannabis Business Development Fund in order to promote the growth and diversity of cannabis businesses. Creates fees, taxes, and assessments on individuals and businesses licensed to sell cannabis and cannabis products. Establishes the Cannabis Revenue Fund within the Treasury Department to collect fees, taxes, appropriations, and other funds for distribution to departments, agencies, and businesses related to cannabis and cannabis products. Establishes the Communities Reimagined and Reinvestment Program, Community Reimagined and Reinvestment Account, and Substance Abuse Prevention, Treatment and Education Fund, and imposes powers and duties on each to redevelop and aid communities and individuals. Creates guidelines for enforcement, penalties, and sanctions and immunities for those committing prohibited acts, as well as expungements of sanctions and penalties and the transfer of functions from departments to those with cannabis-related powers and duties. Effective immediately.

SB 809

Dush, Cris (F)

Amends Reg. Review Act re legislative approval

(PN 992) Amends the Regulatory Review Act further providing for procedures for subsequent review of disapproved final-form or final-omitted regulations. Agencies are prohibited from reissuing the same regulation in the future, or promulgating a regulation that is substantially similar, unless the new or revised regulation is specifically authorized by a law enacted after the date the concurrent resolution is approved or deemed to be approved by the governor or after the date when the General Assembly overrides the governor's veto of the concurrent resolution. Further, a committee may report a concurrent resolution to initiate the repeal of any regulation currently in effect, provided that the committee conducts a public hearing on the matter prior to reporting the concurrent resolution. Effective in 60 days.

[SB 1024](#) [Street, Sharif](#) Amends Medical Marijuana Act re Home Grow

(PN 1336) Amends the Medical Marijuana Act, in patients, providing for cultivating cannabis for personal use. Medical marijuana patients 21 years of age or older who lived in Pennsylvania for at least 30 days may cultivate cannabis for personal use. A patient may cultivate up to six cannabis plants which may be more than five inches tall and in a vegetative or fruiting or flowering phase. Cultivation must take place in an enclosed and locked space. A patient may purchase cannabis seeds from a dispensary for cultivation, however they cannot be sold or given to any other person. Plants must not be stored or placed in a location where they are subject to ordinary public view and patients must ensure they are secure from unauthorized access. Cultivation must occur only on residential property lawfully in the patient's possession or with consent of the person in lawful possession of the property. Provides an owner or lessor of residential property may prohibit cultivation of cannabis via a lease. Cannabis plants may only be tended by a patient who resides at the residence or their authorized agent attending the residence for brief periods or a caregiver of a patient who is physically unable to tend the plants. A patient who cultivates more than the allowable number of cannabis plants or who sells or gives away cannabis plants, cannabis or cannabis-infused products produced shall be liable for penalties in addition to loss of home cultivation privileges. Effective in 60 days.
